Come Walk with Me for Independence
In support of the Independent Living Centre London & Area

June 14 2011

You are invited to make a difference in the lives of those with disabilities in our community. The Independent Living Centre is hosting their 8th annual wheel and walkathon on June 25th 2011 at Greenway Park in London from 11:30 am to 4:00 pm. Guest speakers will include Hon. Chris Bentley, Attorney General, MPP London West, Hon. Deb Matthews, Minister of Health, MPP London North Centre and Councillor Stephen Orser, Ward 4. Come out for a fun day of games, music, barbequing, and a stroll in the park. Bring your pledges to this fundraising event for a chance to win prizes, and help people with disabilities achieve independence.

Please call 519-660-4667 to request your pledge form, or visit www.ilcla.ca for more details. Visit our event on Facebook at "Come Walk With Me For Independence".

The Independent Living Centre is a non-profit organization focused on helping those with disabilities to realize their full potential. Our mission is to provide information and support to all people with disabilities as they take risks in directing and managing their lives. The proceeds from this event will help to sustain initiatives and programs offered at our centre such as workshops, peer support, information booklets, community education and more.
